PAST WEEKS RUN FOR CAPITAL

Capital Hash Run 1489 – Eyesore

I would just like to thank the esteemed Stand-In GM for the opportunity to yet again write a run report.

This run had all the portents of a bastard of a run, the hare said at the start it took him 4 hours to set and was long (no shit Sherlock) He also stated that the walkers had to look for the magic chalk marks somewhere on the running trail to split off. I decided that since I had to write about the run I'd better go with them (a good decision in hindsight). The run started a little fast with lots of two-ways, but then got better (for me!!). The next thing you know we were at the drink stop, much to the surprise of Eyesore. He seemed to think we had shortcutted seriously, but hands on our hearts we followed trail. We were concerned (for a nanosecond) that we hadn't seen the walkers split and they were doing the run. Although it was great to eat the chips and dips without those walking wankers eating them all first (hmmmm pot calling the kettle black here!). A long on home followed, with the walkers appearing at 7.30.

It does appear that the run did go through the nature reserve and god knows where else, thank god for small mercies!

I found the run was fantastic for a slow bastard like me, although, the drink at the drink stop was marginal and the pasta burnt so the score is 1 out of 10!!!

Returnees

Not many due to the whole circle being in there the week before

Awards

Spanky – to Eyesore, although it was going back to DH until Furballs said she would do unspeakable things to it.

Bib – to Crackers, something to do with the dribble coming out of his mouth

Spit the Dummy – to Scarlett Fucking Ramsey, for his efforts last week with the Fuckin spilt rolls and the Fuckin split hot dogs (wave your arms frantically whilst reading this)

Big Prick – to Eyesore, nuff said

Front Running – to Mighty Aphrodite, for her whinging efforts on not finding the run, lying about enjoying the drink at the drink stop, and locking herself in her car to keep warm because Mixo wasn't back to light the fire bucket.

Charges

Mighty Aphrodite got the cracker of the week, Sesame with Flossie Pork

Eysore for the 10 out of 10 drink (the fake run score)

Mixo for taking 2 hours to light the fire
