PAST WEEKS RUN FOR CAPITAL

RUN 1499

Run Report – Sue Ellen's Run September 14 2009

A sizable pack gathered with high hopes of a wonderful, enjoyable run. Weather was great (stand in RA taking all the credit), expectations high. On out was up the path into cross-country territory. Start of the run was uneventful apart from Charlie' the 'log carrying dog.'

A little further on the run takes a turn for the worst. Trail lost completely. Hashes go in all directions with no positive result, unless of course you don't count 'Mighty' taking off her clothes. Eventually the pack decides to head up the hill and after a while finds trail again

The rest of the run was litany of trails suitable for mountain goats, all ensnaring blackberry bushes and the odd check.

The drink stop was at last reached with a passable ginger beer and I suspect green ginger wine served. Lashing of chips were also served before the pack wandered back to home where a welcome drink awaited.

The circle was eventually convened after consensus was reached that the piro should get off his arse and start the fire bucket. In the meantime hashes dodged bullets from our canine friends.

A warm welcome was extended to our virgin Patrina and a number of returnees all accepted their down downs. Charges followed and included:

- JR for location of the fire bucket in mine field of dog turds
- Felofa charged Sue- Ellen for a comment which displayed her intimate knowledge of the trail "which way is on home JR?"
- COUNTERFEET charges Mighty for jumping a fence to see a special person. (numerous crutch jokes followed)
- Distemper charges Mixo for not remembering new hash names (well he is getting on!)
- CL charged for something to do with a monkey.

The awards followed the charges.

- The big prick was awarded to Distemper for turning up with two attractive Sheilas- You'll need a bit of wood.
- The dribbling bib went to JR
- Spit the Dummy to Bigboy over his insistent requests for the fire bucket

The circle ended with anniversaries and birthdays. 666 the devils number to Sue- Ellen. 160m runs for Dog Turd and 580 runs for Grease Nipple (where did all that money go?) Mighty, Sex Change and Gerbils were all given down downs for birthdays. Note well Gerbils was celebrating a 50th. Many more down downs to follow.

A very tasty mash followed with a final score of 5 out of 10 given. It's amazing what a good mash can do to inflate the score.
