PAST RUNS FOR CAPITAL

Run # 1520

Hare: Two Fathers

Location: Stirling

Intrepid Run Reporter (and committed Luddite): **BIG BOY**

Designated Driver, Scribe & Hash Pot Collector: Soft Centre

The wankers' walk was fairly long.

The runners' trail was quite long.

The Run-Reporter's report of the run was apparently perceived by some to be even longer, as demonstrated by the resulting walk-out of those haggard disrespectful kruntz from the circle. It took a while to get the show on the road (after all, this committee is nearly fuct, and it's hard to get pee-pull organised. But when the ON/OUT finally got going there was plenty of flour and chalk put out that eventually led to a refreshing drink stop on the ridge between Chapman and Fisher. The thoughtful hare had organised a tasty and refreshing drink-stop in a lofty and breezy spot under trees that had survived previous pyrous disasters and had considerately arranged a fly-over by the Roulettes. This was rather flash, a wonderful and rare Jingoistic thing in that he'd already won bonus points for considering the dietetic regimes that may be demanded of his forthcoming catering regime. There was a well-marked walker's trail, which I personally think is worth a considerable bonus, and as well as this there were clean pots for next week's Hare (although a run-reporter wouldn't normally automatically take this into consideration). All in all, a stirring run – 8.25 out of 10.

Back at the On On the Harriettes (ie Furballs) turned into dog-poo doblers when Wee Jasper decided to relieve himself on the lawn. JR and Dickhead were extremely slow making their way back from the drink stop and timed their arrival to coincide with the beer being cold enough to drink.

The Circle

New runner – Dunny Gone (has anyone asked how he got his name??)

Returnees – Goanna (obviously sufficient time has passed since she failed to turn up at the 1500th), Doggie Bag, Bob the Fucking Builder.

Charges:

Goanna – for complaining about blisters but not wearing socks

JR – for something to do with the beer temperature (who cares?? – the sparkler was fine and the Old was just the right temperature!)

Meat, Furballs and the GM? – for being the recipients of a gloating email from Crackers.

Awards:

Spanky the monkey to Dickhead

Spit the Dummy to Furballs for refusing to let Spanky cross the threshold

Big Prick to JR - for warm beer

Anniversaries:

Two Fathers – 42 (the answer to life, the universe and everything)

Frizzy Lizzy – 123

Scarlet – 974 (just because he looked like he deserved a drink)

Birthdays:

Furballs

Gobbles was given a happy birthday in absentia and Frizzy said Hair Hair!!
Doggie Bag

Saddly Weatherman was absent so there were no jokes.

Food – fine array of sausages and loads of fried onions (ie fart material) and special attention for JR who got cheese and tomatoes to put on his rice crackers.

On out

Big Centre (on behalf of Soft Boy)
