REPORT Run 1530 , Monday 5 April 2010

Hare: Grease Nipple - Location: Beagle Park, Red Hill

Run Reporter: Party Pie

A miserable lot, (26) turned up at Beagle park, obviously after a misspent Easter week. The circle was called by our lustrous leader and then greased nipple sent us of in the direct of the biggest hill he could find toward Hindmarsh drive, where it meandered down through the streets and boon docks of Red Hill. Then through some dark lane ways to Narrabundah on to Griffith and back up the next biggest hill he could find to the drink stop, at Red Hill again, after which the miserable lot returned to Beagle Park for the interesting part of the run.
