Run 1537 , Monday 24 May 2010

Hare: Mighty Aphrodite - Location: Trinculo Place Queanbeyan

Babbling Babbling

Details of run: Queanbeyan (a fitting place for Felloffa to do her last run with Capital being it was the first place she came to when she came to Aus). Mighty Aphrodite took us on the tourist route of Queanbeyan, around the dead centre of town, up a couple of small hills (which gave us walkers a bit of a heart start). We were then shown the 'other dead centre' of town when we crossed the suspension bridge which is the place of many a body dumping and shopping trolley. It was noted that several people helped themselves to a shortcut through the golf course (Mixo, et al ...), but Meat still beat them back. We were served a great, hot meal whilst taking in the lovely vista of the Queanbeyan River.

+ 1 for a short run - taking into consideration there was impending rain.

+ 1 for talking to Mother Nature and having the rain held off for us, and giving us a balmy temperature of 12 degrees.

- 8 for NO DRINK STOP

+ 1 for redeeming herself by having chips at the On Out point.

Overall: 4.

Attendance: 34. Lots of returnees (which didn't have anything to do with Felloffa's farewell...)

Anniversaries:

Distemper – 21

Party Pie - 50

Free Willy – 22

Meat – 688

Mixo – 1299

NMR - 440

Returnees: Freezerballs, NMR, Free Willy, Easy, Barbara, Scarlet, Toyboy, Duckhead, Hello Kitty, and others...

Charges:

- Hello Kitty: for being sneaky.
- Duckhead Mick (was iced) for driving on a flat tyre, (and being a bad boy!)
- Dunny Gone: for confusing his left and right.
- Mixo: for actually getting several checks right, but then taking a short cut.
- Box Packer: for falling for Weatherman's (poor) joke about his dog having to be put down.

- Mighty Aphrodite: for not satisfying the rapist who is harassing the Duntroon wives.
- Scarlet: for having a bad memory, having finally brought in the trophy that was owed to Hidden Flagon.
- Hello Kitty: for not coming to run last week in the knowledge there wouldn't be a fire bucket.
- Babbling: for taking JR's car park.
- Dunny Gone: for being too athletic and stretching before running.
- Distemper: for turning up in a suit. This was thrown back to Free Willy as a false charge as she was the only one that saw it.
- Felloffa: was iced for mentioning to GM that she hoped she wasn't going to be iced as she had jeans on.... no such luck.

Awards: Hidden Flagon was finally given the trophy he was owed.

Dribbler's Bib: Box Packer passed the bib onto Meat for dobbing her in (falling for Weatherman's bad joke).

Spanky: Spanky is still taking a holiday in QLD, having been abducted from Free Willy's care.

Announcements:

- Easy advised the Canberra Harriett's next run is Thurs 3 Jun from the Kambah Woolshed.
- Hello Kitty asked for Haberdashery ideas.

Farewell: The GM gave a farewell speech to Felloffa, giving her some 'interesting' items – a big wooden dildo, a vibrator and a cork screw. The farewell song was sung, twice. Whilst Felloffa is heading back to NZ to live, she will be back in Aus for Nash Hash in Feb 2011
