## **Details of Run:**

In the absence of a reliable RA, Mixo had worked some wonders and organized what appeared to be the start of summer in Canberra for his run from the Fadden Pines – the hashers had recognized this and attending in large numbers. Starting off with a dummy arrow to identify the type or markers that we should be seeking we were then sent off in the correct direction to join the trail.

The pack followed a very well marked trail around the Chisholm area with numerous small hills, check backs, checks, loops and two and three ways keeping the pack together in a very effective manner – even allowing the walkers, wankers and wounded to keep up with the pack.

After a very tasty and gingery drinkstop in Chisholm, what was a textbook length run saw everyone regrouping at Fadden Pines for a circle at around 7:30. A slow start to the fire bucket was noted by the scribe – any complaints about this were soon forgotten by anyone who was called in for a down down and was lightly toasted in the process. The ACT fire brigade attended after the circle to commend Mixo on the fantastic fire bucket – luckily JR was in attendance to put them back in their box and send them on their merry way without needing to intervene with the bucket.

A BBQ with a large variety of condiments followed the circle and was enjoyed by all.

A score of 0.945 was given to the run as this was the exchange rate between the Australian and US dollar at the time of writing of the run report.

## **Charges, Down Downs, Birthdays & Awards:**

R2D2 – a virgin capital hasher from Brisbane Harriers. A new resident to the ACT.

Returnees – Hello Kitty, Energiser, NMR & Easy

Gerbils, Hidden Flagon, Poo Shooter – for Toy Boy's stupidity in not carrying a torch and missing a check back. Apparently it was the fault of everyone behind him that these events all occurred, and despite the protest of the chargees the charge was upheld, hence charges were applied.

Two Fathers and Gerbils – for getting confused about which half of the pair is Hidden Flagon and which half is Drunken Tiger. Clarity was provided around who had shaved that morning.

Poo Shooter – for failing to bow down on the ground before Easy and publicly commend her for producing a run report. As with the previous charge this was protested, however in the interest of her shutting the fuck up the charge was claimed to be fair and upheld

Scarlett – for being right about Easy

Partie Pie and Peeping Pervert – there was some feeble excuse about the carpet burns on Partie Pie's knees despite the recent removal of all of the carpet from their house and it's replacement with hard wood.

Countherfeet – Disrespecting the GM and claiming that his pregnancy was coming along quite nicely.

Free Willy – poxy skull taken by Greased Nipple for not respecting her responsibility to the hash and not turning up to the hash, her piss poor effort was to drop the cups in front of Friskies car at 6:45 and send her a text message.

NMR:

- Turned up to hash for the first time in ages
- On crutches
- With a story about claiming workers comp for running to catch and bus, rolling his ankle and then being confused about whether lump in his shoe was tan bark or bone

Birthdays:

Nympho (poxied by Gerbils) Buns (poxied by Energizer)

Anniversaries:

Digger – 11

Friskies – 50

Poo Shooter – 97

Scarlett – 1001

Digger told a joke about erections, R2D2 told a joke about critical implements for the completion of womens work, Gerbils told a joke about Gout.

Spanky was awarded to Hidden Flagon in sympathy of his near explosion from both ends during the run

Everyone was reminded to let Drunken Tiger know whether they will be attending the Pussy Run.

Everyone should respond to the 1555'th weekend away.
