### **Run 1818 Onesy run**

VENUE: The house of Meat, tucked away in the faraway mythical land of Jerra - bom - berra (one way in and one way out) I still dont actually know why we were co ersed into running in a onesie, normally there is a reason such as: run number 1111 or 1811. Maybe it's just because it's winter. Anyway, thanks to EASY for suggesting it, as i was as cosy as a leper in a bean bag as i pranced with my fellow walkers around the rarified air of jerra - bom - berra (One way in and one way out).

And so it was, that MISS CHEEKY was detailed off by his holiness the GM to give the walk report. MISS CHEEKY wasnt in the best of moods having to drag BLACK DOGS dog around trail, eventually she was hanging off the back of the pack so far that the last of the Zimmer frame pushing walkers had disappeared into the thick Jerra mist and MISS CHEEKY said "sod this, im orf" Still, she gave the walk 2/10 and labled it BLACK DOGS curse. BARBETOOLS contributed to the walk report as well, giving it some veracity, (ED - i dont actually know what this word means, but i heard Malcolm Turnbull say it so ....), and pointing out that the trail took us past three pubs.

And so it was, that SCARLETT gave the run report, once again the exceptional navigational skills of MCTAF were highly praised. SCARLETT found the run to be confusing despite the fact that the trail is spray painted onto the footpath and the same trail has been used for the last 19 occasions in Jerra - bom - berra (one way in and one way out) 2/10

As SIR LANCE A SLUT discovered, split second timing is oh so important when one is singing the hare song. There was a look of utter dismay on his face when he realised he had missed his opportunity to insert a verse by a mere seven one hundreths of a second.

Returnees, Visitors and Virgins: FURBALLS, DUMB DICKHEAD DAVE, MISS CHEEKY and BAR BE TOOLS

### **CHARGES.**

TUN, TUN Glorious TUN was conspicuous by its absence

MCTAF was charged for writing superior hash notes and is likely to win a record eighth Pulitzer prize at the end of the year.

POOSHOTA was roundly critisized for providing XXXX to the hash on Origin week. And, as it turned out, the 52 cans of XXXX that we drank

was exactly the number of points that Queensland loaded onto a hapless bunch of Cockroaches.

QL, HF and SEX CHANGE were all charged with flattening POO SHOOTAs iPhone trying to jostle for position in the City to Surf accom shootout

POOSHOTA and BAR BE TOOLS were outed as being "Linkedin" twins. GERBILS was outed for poor songmanship.

WEATHERMAN attempted to charge POOSHOTA for saying "Cuntsact" but making it sound like "Cannucks" and suffered the inevitable REBOUND

GERBILS was charged with stuffing a duffle coat down the front of his onesie

BBTOOLS was charged for laying fake (Canberra) trail on the real (Capital) trail

All the onesies had a drink. QL was charged with not wearing her cougar onesie, and MTPY was charged for providing the cougar onesie

BETTY BOOP dropped her ring into the Gluewine. WEATHERMAN looked liked a pregnant penguin.

CROC TART was outed for preferring bubbles over TUN !!!!!!! (ED - incomprehensible) (i must have misheard this one)

POOSHOTA was charged for not respecting POP SLUT

MTPY was charged for having the largest tool bench and the smallest heater in Jerra - Bom - Berra (One way in and one way out)

SQUATTER and SIR LANCE A SLUT got the low profile awards

CROC SLUT got the best onesie award and GERBILS got the worst onesie awards

SIR LANCE A SLUT was charged for loosing his onesie mojo, MCTAFs Navigational prowess was again celebrated

MTPY was charged with having Canberras total allocation of wanking oil and wipe cloths

HIDDEN FLAGON foolishly attempted to point out that there may have been the slightest chance that

MCTAFs notes from last week may, possibly, have contained the slightest inaccuracies. Really????? What a lot of old bunkum. he was reminded that the Navy is the senior service and the truth lies in the last paragraph

POOSHOTA won the dummy spit award. HF disrespected POP SLUT again. DDHD and BB had

birthdays. Put city to surf in the calendar

EASY then fed the hordes with a lovely jiz free Chilli con carne

Good health to you all, On On , and remember CRACKERS
