

Capital Hash House Harriers – Run 2077 - PPs Virtual Marathon - Yarralumla

I'm not sure what the PPs have been drinking but this was a run of epic proportions. This 8km run went through the Brickworks and Deakin before turning for home. It was great to see hashers turning up at various times and those that came at the same time keeping socially distant (with Beer) at the end.

The committee will review the current system of runs with a view to the rules surrounding the Governments second steps to recovery, which is expected in early June.

The Zoom Circle continues to work well with 18 screens present and over 19 paying hashers present. Scarlet still sounded like he was speaking from the bottom of a toilet! We also need to swab Squatter, he is far too quiet.

Run Report – Gerbils, An interesting, long run (this coming from Gerbils) where everyone got their money's worth (all \$3 of it) too many Blackberries a score of 3

Walk Report – Horse Good, educational, a beautiful day, lose marks for no drink stop 6.89. The GM wasn't having a bar of those scores and said to take off 20 points!

Returnees – Horse

Charges

JR/Suellen – musical chairs

Centrefold – Shortcutting like a bastard and premature start

Ankle Biter – Luddite

Sunbean- for implying we would ever get 20 hashers on a real Winter run, delusional

PPs- Littering run (false charge, like good environmentalists they went back and picked up the plastic bags. Also for thinking their run went for 5.9km, WTF. Also no decent Mushrooms on the run, only Death Cap

Horse- For watching MasterChef at the same time as the circle

JR, Sunbean, CF etc, didn't do the whole run (what, do you think we're athletes!!)

Poo Shooter – not accepting Dangles or Pop tart for the meeting (too right I say)

Squatter- Mute the whole time
